## **MESSAGE FROM THE PRESIDENT**

The Mt. Healthy Alliance has made wonderful progress this spring! We have hired a new youth director, Mr. Larry Bussard, and we are looking forward to Zone 231 reopening on June 11th. The Food Pantry continues its 11-year tradition of serving those in the Mt. Healthy community who are in need of food assistance. We are grateful to all who support the Alliance.

To continue this progress in our two critically important missions, we need the help of everyone: our Member and Affiliate churches, as well as local businesses and those who live in the community– to volunteer their time, donate food, school supplies, etc. and ,of course, to contribute financially to allow the Mt. Healthy Alliance to continue in its mission to serve the community.

## MT. HEALTHY ALLIANCE FOOD PANTRY

The mission of the Food Pantry is to aid struggling families in the 45231 communities with food, personal care items, and referrals for basic needs. In addition, the Pantry hosts a Wellness Clinic every third Tuesday of the month. It also provides a limited number of Metro tickets and refers clients to appropriate agencies for assistance with clothing, household items, furniture, and financial needs.

Support comes from a number of sources: monetary donations, grants, community food drives, area schools and churches, Meijer Simply Give program, Walmart, Kroger, Little Caesar's, Panera, La Soupe, Little Dutch Bakery, the Freestore Food-bank. Donated foods include canned goods, fresh produce, meats, bakery items, and personal items.

We welcome donations: of non-perishable food items, personal care, and cleaning items.

Volunteers are always needed and welcome to serve in a variety of capacities.
